

# Herts Nitro Model Club

## Rules and Regulations

- Please be courteous and respectful of other users of the facilities. The club does not tolerate violence or threatening behaviour.
- Always use the Rostrum provided when running your vehicle. (Excludes rock crawling).
- BRCA membership is a requirement for anyone running vehicles or entering any track. Visitors without BRCA membership should remain outside of track boundaries.
- No smoking or vaping on the rostrums or in the undercover pitting.
- Hi-viz jackets to be worn as directed by the race director.
- Protective glasses to be worn when using the compressor to clean vehicles.
- The club recommends the use of work gloves when marshalling to protect your hands.
- Please do not run rc vehicles in the field/car park.
- Please leave the club as you found it; taking rubbish/recycling away with you or using one of the provided waste bins.
- Do not dispose of Lithium batteries in the waste bins. Ware recycling facility is located on Westmill Road – exit left from main entrance; then second right.

### Practice

- Visit Herts RC models (or Rib Valley Angling shop if model shop is closed) to Pay and collect the gate code and your wristband. Members need to bring their membership card. Non-members need to bring their BRCA card.
- Please DO NOT use the facilities without booking in. Please DO NOT share the gate code. These both have security and Health & Safety implications for everyone concerned.
